Thanks, Ayn! Sounds good.

I'm thinking Fred will probably be contacting you also, once the briefing is set, to "choreograph" your respective presentations. In addition, Pamela also will likely schedule a few minutes prior to the conference call briefing for a "pre-briefing" session for the EPA folks.

thanks Sandy. I did not see the info about scheduling, but I can be available at noon next Wed. I have a short overview presentation that might be an efficient way to cover the background piece if that makes sense.

Hi, Ayn -- Just wanted to be sure you saw that the tentative time for this call is Feb. 13 at noon Denver time.

I'm assuming Pamela will send out a scheduler once it's for sure a go.

Thanks!

Thanks Sandy. I had heard Jeanne has not been involved. Also, I agree with Ayn on R8's role for briefing. I'm waiting to hear back from folks on whether management concurs with Ayn & Fred as appropriate for the briefing. Thanks for keeping me straight.

Rush's staff is hoping to grab 2/13 at 2:00 for a call.
